The Navy Lark

My relationship with my husband started seven years ago when the company I worked for took on a new office manager, my boss – Jim, a naval man.

As the months went by he started to spend more time around my office.

I began making a point of teasing him, exaggerating my movements while he was around, bending over a little too much to get a file for example.

and led it to the hem of my skirt to prove that I was wearing them.

I cupped his head and pushed his face into my breasts. There was no doubt he knew what I wanted now.

To my annoyance another member of staff approached and the manager got up and left without another word.

The afternoon was hell. I had to go into the toilets to bring myself to a shuddering climax.

At the end of the day, when I knew there was only me and him left I took off my panties and went to his office.

The look on his face as I dropped my lacy knickers on his desk was priceless. He sniffed them and then stuffed them in his pocket.

Then I undid my skirt and let it drop to the floor before sitting on the edge of his desk, exposing my trimmed pubes.

I pulled his head towards my swollen pussy. He sank to his knees, thrusting his tongue into my mound.

The feeling was immense and a first orgasm soon shuddered through me.

I knew that the security guard would be doing his rounds at 6pm. It was now seven minutes to.

I made Jim stand up. As his trousers hit the floor I unclipped my bra and pushed my arse out to him.

He slid in on the first push,

1. KELLY

and I swirled my hips to get as deep a thrust as possible.

He knew we didn't have long and his fucking became frantic until with a low grunt he stiffened and emptied his juice into me.

My pussy tightened as another orgasm washed over me.

As we stood there, his cock twitching inside me, the main door suddenly opened. Jim rapidly pulled out of me, splashing his spunk down my thigh.

When the guard arrived in the office, Jim was sitting back at his desk, a little flushed (and his softening cock hidden) while I had my coat on over my

spunk-soaked stocking tops and little else!

Kelly, Windsor.

One day I decided it was time to see how far he wanted to go. That very lunchtime the boss came to my office and I asked him if it was true in the Navy there was a girl in every port.

This opened things up a bit and soon we were talking about girls in uniform. He confessed he loved girls in stockings, so I took his hand

As a socially responsibly publication, we wouldn't dream of trying to promote smoking in this day and age, but we've got to say, a night spent in with nothing but Teleela and her hubble-bubble looks like it'd be quite a spectacular way to while away a few hours, doesn't it?

"If a guy wants something to suck on when he's with me, I'd much prefer it if her started on my nipples before moving on to my clit!" Teleela grins. "And if he's got anything for me to suck on, then who needs the hookah?"

TRANS-FIXED!

Prolific British MILF Lacey Star's only gone uncovered another kink to explore with this, a film that looks like being the first in a series that throws transsexuals into the mix along with studs and sploshers to create a pretty unique combination of possibilities. Things kick off with Joanna Jet and Liberty Harkness giving us a tranny-on-tranny pairing, with each giving the other a bumming, which seems only fair to me. Things only get more

complicated after that, with a foursome that involves 3 people with boobs and two people with cocks going at it every which way. Lacey gets tranny Nikki all to herself next, and there's plenty more to come, too! Available from your local sex shop.

ANNELLISE THAT!

A randy, big-titted British MILF who shoots exclusively for Score? Well, that's a DVD that's got to be worth checking out, and buxom blonde ball-drainer Annelise Croft doesn't disappoint. Things kick off with a chat in which she reveals a) that she's just come out of a long-term relationship that left her short of sex and b) her wonderful boobs, complete with pointy nips. For the rest of the 108 minutes she does her best to make up for her recent sex drought, first with a heartfelt wank and then with a series of studs, all of whom are eager enough to get stuck into her juicy pink slot. She delivers some mighty impressive tit-wanks along the way, but it's the penultimate scene that really tops the lot, with the wanton hussy giving up her snug arse to a no-nonsense drilling. Available from your local sex shop.

Dear Julia

Kylie looks like she's loving tucking into all those sweets in your latest issue, but while my girlfriend Sarah's got a sweet tooth, it's chocolate that we love to bring into the bedroom with us. We've always got plenty knocking about the house, and it was only a matter of time before we tried combining Sarah's two favourite things! Her clean-shaven pussy tastes sweet enough on its own, but she knows I won't be able to resist going down on her if she's given it a smear with some Nutella, or popped a few Maltesers in there for me to discover. And in return she likes to gobble on my cock and a bar of chocolate at the same time, which suits me fine as long as my cock gets (more or less) as much attention as the choccy! The only downside is that it can leave the bedsheets looking pretty disgusting, but then so can any decent fucking session, now we've got some dark coloured sheets it doesn't matter so much. I recommend your readers to try it – it's a lot more fun than chewing on a strawberry shoelace!

lan, Newmarket.
Julia says: Yes, I've tried choccy play a few times, but never enough to invest in matching bedsheets. Don't forget to brush your teeth afterwards, too!

DEAR JULIA

Dear Julia

Ever since I got home with your latest issue I've been unable to stop fantasizing about just how horny it would be to enjoy a roll in the hay with the incredible Marie! She really is the most perfect model I've ever come across (literally - dozens of times!) in a magazine, with her beautiful face, long blonde hair and those incredible natural boobs! The only downside to a fuck with such a stunner would be that it's probably only last about 3 seconds, but then I'd be up for seconds straight away, and then I'd really be able to give her the benefit of my solid six-incher!

Mike, Great Dunmow.

Julia says: It sounds tempting – we'll pass on the message!

Fine and candy!

Cock-mad teenie tartlets taking a length – it's a theme with as long a history as grumble flicks themselves, and the Score Group have rounded up another clutch of 6 nubile young sploshers to join the ranks. No big names to quote, as they're all fresh off the turnip truck, but with the way they take to on-screen dicking, names like Anastasia Knight and Hannah Hayes will be ones to remember! Available from your local sex shop.

DOUBLE TROUBLE!

Naghi Rechargeable Double Ended Vibrating Dildo

£54.95

www.sextoys.co.uk

Double dildos have been knocking around for donkeys' years now, for all that girl-on-girl action when for some reason both lesbians both crave a cock at the same time, but things have come on a bit in recent times, and this swanky new addition to the Sextoys.co.uk range is a definite step-up from the old-fashioned double prong. Not only is it vibrating, with 10 different vibrating functions, it's also rechargeable, so no more fannying about looking for batteries (see what I did there?). At 14 inches in length, it should be more than enough to satisfy two hungry quims at once!

Hats off to Sexy Cleo, who didn't bat an eyelid when we suggested an outdoors set, despite the notably parky weather at the time...
"I'm usually up for a bit of alfresco fun!" giggles the girl herself. "It has to be a lot colder than this before I'll confine my sexual adventures to indoors. And even then... I remember having it off once when it was actually snowing. The cold made my nipples extra sensitive, although my fella didn't like the snowflakes landing on his arse!"
Honestly, some people are never happy, are they?

REAL WIFE SEX

Moaner Lisa gets caught wet-handed...

"With his beam in my hand I slowly wanked him off until he was solid."

I'm a secretary for a small builders' merchants and, as you can imagine, I come into contact with a lot of rugged builder types. Being a natural flirt I'll go along with their banter but I never go too far. Or at least I didn't until the other day.

It was a Friday afternoon and everybody usually goes home early, or rather all the blokes go to the pub and I nip in to town to do a bit of shopping. However, I was going on holiday the next week so I thought I'd stay behind and get a few things in order.

I actually got things done quicker than expected and since my bus wasn't due for a while I had time to kill. Excited about my holiday I logged on to the Internet to find out more about the resort I was going to be visiting the next week.

Of course, being an open-minded type of girl with internet access and no one in sight I soon found myself visiting a couple of porn sites. I'm not a lezza but I like looking at pictures of other women, especially when guys with massive cocks are fucking them.

I'm not ashamed to admit that while I looked at more dirty pictures my hand went down the front of my knickers. As I flicked through a selection of images I massaged my folds, occasionally pushing a finger even deeper inside.

Pretty soon a combination of the porn and my own handiwork had me in a frenzied state. I was nearing orgasm and being alone in the office I could voice my satisfaction very loudly.

As I rode the climactic crest I screamed as the top of my voice, engulfed by the sheer pleasure.

Then I was suddenly brought back to earth as the door flung open and Brian, one of the guys from the yard, said, "Lisa, are you OK?"

We both looked at each other with startled glares. When Brian had registered what I was up to a smile came to his face.

"You dirty little cow!" Brian chuckled as my face turned red.

"You won't tell anyone, will you?" I asked, hoping he wouldn't.

"That depends," he replied, gripping the front of his jeans.

I knew what he was implying and had I

not been so sexually charged I would have told him to fuck off! But I was in the

mood for it, he wasn't a bad looking bloke and I thought it would put me in the right mood for my holiday. So I thought 'what the fuck?', stood up, walked towards him and replaced the hand on his groin with mine.

Brian looked a bit startled at first but when he realised I wasn't teasing him he pulled me close to him. He ripped my blouse open to reveal my bra. Then he lifted my skirt and tried to pull down my knickers.

It was all a bit awkward but he eventually had my knickers round my ankles while I unbuckled his belt. I dropped to my knees, pulled down his flies and fished out his cock. With his beam in my hand I slowly wanked him off until he was solid. Then I looked up, flashed him a smile and began to circle my tongue around his helmet.

"Oh yes, you little slut," he groaned as I ran my tongue up and down his shaft.

I sucked on his dick for a good five minutes before he told me to stand up. Being so big and strong, he lifted me up in the air and I repositioned my legs around him. Then he lowered me until his hard prick skewered my moist snatch.

I shivered as my wet pussy slid down over his cock. My petite frame was nothing for him so I bounced up and down, controlling the rhythm at which we fucked. Occasionally I would buck backwards and forwards just to heighten the pleasure.

After a while Brian must have been feeling the strain so he moved us both over to my desk and lowered me on to it, still keeping his prick inside of me. With me on my back it was now his turn to control the tempo. Every thrust sent a shiver down my spine. Brian was a big man and had a lot of power to put behind his thrusts.

Pretty soon I was wailing at the

top of my voice again. This time the moans were longer and more satisfying, much like the orgasm that soon followed.

It took Brian a bit longer to finish off but when he did my cunt was flooded with his cum. As he pulled out a gush of juices trickled out on to my desk. I'd have to get that cleaned up before we left.

As I remained sprawled on my desk, Brian tidied himself up and promptly left. But not before wishing me a good holiday. I was going to need it after that!

DOUBLE SPUNK!

I've always been a cock-mad bitch so the night I met up with and fucked my boyfriend's mates came as no surprise to him.

It was 3am and we had just got home from a night of boozing, my boyfriend and his two mates who I've known for

years.

As usual I was horny as fuck and my holes were craving a spunking. Leaving the guys in the living room I stepped upstairs to get changed into stockings, a

basque and crotchless knickers. I demanded the boys' attention and told them to get in line and get their

cocks out.

I sucked each and every one of them in turn, taking their big cocks into my throat, nearly gagging with the depth they were reaching.

After a while they ripped their cocks away and told me to bend over.

I did as I was told, exposing my tight shiny holes. I was spanked hard and commanded to stay still and do exactly as I was told.

They licked my cunt and arse for hours, their hot tongues sinking deep inside me.

It got me so turned-on I was begging for them to fuck me.

The first cock wagged in my face and was then pushed into my mouth.

A second went into my juicy cunt and the third filled up my tight arsehole.

I braced myself for a triple pounding and sure enough within

only 30 seconds I was cumming.

They all took it in turns pounding my body until I couldn't cum any more and was left a quivering mess.

We ended up in a three cock blow job, my ultimate fantasy. I loved tasting all the cocks at once and when they blew their loads over my face and in my mouth I was in ecstasy.

I didn't waste any and swallowed every last drop.

Emma, Berks.

Danni

Game of Thrones fans have been wazzing on about whether a stunning blonde called Danni will end up sitting on the zthrone or not for years now (but not any longer!), but at Escort there's only one blonde Danni we'd pike to see on the throne – Danni Maye. Then again, her sitting on a throne might be all well and good, but she's surely look even better sitting on... ahem, well, you know what I mean! Anyway, we couldn't muster up an iron throne or a set of dragons, but here she is with a banana and a that stunning set of charlies, which is surely just as good!

Some girls barely say a word while they're posing for a set of photos, but Louisa goes at it nineteen to the dozen, talking about all sorts of things, from the weather to what she got up to at the weekend. It's all very nice, but a little disconcerting when she suddenly interrupts what she was telling you about her shopping the other day to ask if you'd like her to stick a finger or two inside her pussy for you. Well of course we're always happy for her to do whatever the fancy takes her, from fingering her pussy to tweaking her nips and rubbing her clit, but it doesn't half keep you on your toes!

I don't think I ever paid much attention in Geography classes when I was at school – I vaguely remember some guff about ox bow lakes and plate tectonics, but apart from that the whole thing passed me by. If only the lessons had been a bit more like this! I'd probably be some sort of Geography professor at Oxbridge by now! Mind you, Lacey and Sonia didn't really seem to be all that clued up on the subject either, although they did seem pretty interested in checking out each other's globes – among other things...

What with the lipstick, cardy, panties, nosed-puppies and pussy, it looks like Eliss here's got a real soft spot for pink...

"Well, I can't really do anything about the colour of my pussy or my pink-nosed puppies, can I?! Actually, I think my favourite colour is actually green, but I thought your readers might like this look and, well, I didn't want to end up looking too much like Robin Hood!"

Umm, we're sure there was never much danger of that – even that rather girly looking Robin Hood that was on the telly in the 80s.

Lynda

Fans of UK glamour will have looked on in glee over the years as Lynda Leigh's slowly transformed from one of the most fuckable young British models on the scene to, well, one of the most fuckable MILF British models on the scene! If anything she's even hornier now than she was before she's put a few miles on the clock...

"Ha – I certainly feel a lot hornier than I used to! Like all things, the more you do something the better you get at it, and it's jus the same for giving and receiving pleasure!!

Well we're sure our readers will get plenty of pleasure from these pix!

All Four One...

My boyfriend Matthew and I often go out to the pub with our friends. One night we went out with two of my girlfriends, Nicole and Gemma.

It had always been a fantasy of mine and Matthew's to have a threesome with another girl.

We'd often fantasise about him coming home from work and catching me and a girlfriend at it on our bed. In the fantasy he would join in and fuck the pair of us.

On this night out we all started flirting after a good few drinks. When last orders were called we finally drained our glasses and began the walk home.

Feeling horny, Matthew and I asked if Gemma and Nicole wanted to come inside for a few more drinks. They jumped at the chance so we quickly made our way home. As soon as the front door was closed, us girls started peeling off one another's

clothes. All Matt could do was stand and watch.

We worked our way slowly up to the bedroom where the fun began. We were down to our underwear by now, gently kissing each other and licking each other's nipples.

Matt's cock was almost bursting out of his jeans so I called him over. Nicole lay on the bed before me and opened her legs to reveal a beautiful pink pussy.

I bent over and started to lick out the wettest pussy you can imagine.

Matt stood behind me

and fed his cock inside me. He started doing me while Nicole rubbed my clit until I came.

Nicole, Gemma and I then all turned and licked my cum off his hot, steaming knob. We fought for position, all wanting to suck him off at the same time.

Having three horny birds all licking his cock soon caused Matt to cum. He told us he was going to blow so we all crowded around his cock eagerly.

He shot reams of hot sticky jism over our faces and mouths.

We had a three-way kiss, passing his gooey spunk back and forth between our mouths.

As we savoured each mouthful, Matt collapsed onto the bed, delirious and spent. I went over and sat on his face.

Nicole sucked his cock back to life and impaled herself upon on it. We both sat there enjoying my boyfriend, me leaning over to kiss Gemma at the same time.

We carried on fucking like this long into the night. It was the best fuck I have ever had and now I want so much more.

So any horny girls up for a threesome, please contact me!
